Rev. Wong,

I want to personally invite you and 10 students from your school to come to Conway, Arkansas, USA for two weeks from July 22 to August 5, 2012. The objective of this trip is to give the students an opportunity to experience American culture by staying with an American family, improve their spoken English, and improve their written English by writing in a journal each day. We also want to help their leadership skills by taking them through a training program. This 2 week stay in Arkansas, USA will be a life changing experience for these students.
